

# Madness Mountain Rally

Welcome to the first **MOMENT** *Madness Mountain Rally*. Make sure you read through **ALL** the items before you start (including the fine print), it might help your team, they're not necessarily in order! We will be in 3 teams in 3 cars. We don't have an outside party to decide the winner, if points alone don't determine it, so we will view the digi photos this afternoon and have a secret . Teams may not be able to finish all items so feel free to pick and choose. You may only take 1 photo per item; otherwise we'll be viewing photos all afternoon. In each picture there **MUST** be at least one person and your mascot. Missing the mascot, *-5 points* each photo. When doing a task everyone **MUST** vacate the . Other teams can dock you points if you catch you breaking the rules, at their discretion! At roughly 12:45pm we will be meeting at our place for lunch but meet at Knapp's castle at 12pm sharp. If you're late *- 50 points* So get out there, drive safe and say !!
